

Toronto Baptist Seminary & Bible College

Should we reject the early chapters of Genesis? How does God's sovereignty relate to human freedom and responsibility? Is a new perspective on Paul changing our view of God and atonement?

Is a more social understanding of the Trinity impacting our view of Christ and His work?

Evangelicals are seemingly departing from historic orthodoxy very quickly.

Delve into the key issues in theology today including the doctrine of Scripture, Theology Proper and Christology. Understand the debate and galvanize your faith!
