

## Toronto Baptist Seminary & Bible College 2019 ALUMNI PRESIDENT

### PAUL BAUMAN

Paul is the son of Rev. Dr. and Mrs. W.P. Bauman. Born and raised in Toronto, he attended Jarvis Street Baptist Church where he was baptized and became a member. It was his joy and privilege to, on occasion, travel with his father around the world to encourage Toronto Baptist Seminary graduates in ministry.

Early in their marriage Paul and his bride, Pamela, attended TBS to study and learn for themselves what they had been raised to believe. It was the best of times! Little did Paul realize that the training he received at TBS would shape success in business.

Paul and Pamela currently reside in Springfield, Ohio and actively serve at Cornerstone Baptist Church. Paul also served as the past Board President of a local Christian school. Their daughter Gabrielle is a graduate of Cedarville University, a local Christian school and is currently pursuing an MFA at Regent University in Virginia.
