CONDITIONS FOR ADMISSION Please read carefully before signing.

I understand and accept that my acceptance and continuation as a student is conditional upon my full compliance with all policies and regulations contained in the most recent editions of the Prospectus and Student Handbook of The Toronto Baptist Seminary and Bible College.

I have read in their entirety the most recent editions of the Seminary Prospectus (including the Seminary's Christian Lifestyle Statement), the Student Handbook and I agree to comply fully with all policies and regulations, including moral and spiritual standards, contained in the Student Handbook and Prospectus.

I further understand, accept and agree that non-compliance with the aforementioned policies and regulations of the Seminary, or failure to adhere to the standards contained in the Christian Lifestyle Statement, shall constitute grounds for discipline, including suspension and/or dismissal from said Seminary by the authorities of said Seminary. I agree to submit to the authority and discipline of the Seminary.

In consideration of Romans 13: 1-14 the signing of this statement is a simple putting into action the authority structures of the Bible. This action is intended for the good of the student!
