Employment Rate**		100%	95%	95%	95%	100%	95%	100%

* TBS Students are not grouped in classes or cohorts. As major courses rotate every three years, students may join a program at any point within each three years. The Graduation Rate here refers to the percentage of graduates who complete their programs within five years.

** TBS strives to train pastors and missionaries fully prepared for ordained ministries. As a Baptist seminary, we do not ordain seminary graduates (Matthew 16:18-19).
