

TRINITY BAPTIST CHURCH

Trinity Baptist Church is located in Moncton, south-eastern New Brunswick and is the second fastest growing city in Canada. The population of Greater Moncton is 200,000 and continues to increase, primarily through immigration, resulting in a diverse community. English speakers form the large majority with French being spoken by about 27%, Asian languages also being well represented producing a multilingual community. Moncton is well served by the TCH and a number of airlines at the Greater Moncton International Airport. The city has two major hospitals providing tertiary care and two universities with a third in nearby Sackville. Trinity Baptist Church is committed to the authority of the Scriptures, the preaching of Jesus Christ crucified, the truths of the Reformation and the 1689 London Baptist Confession of Faith.

We are seeking a godly, gifted and theologically sound man to minister in our emerging fellowship, working with the existing leadership where he will primarily engage in preaching, teaching, pastoral care and evangelism. This office is designed to develop the congregation. We work in close cooperation with Sovereign Grace Baptist Church, Geary, New Brunswick.
